

Uwase Djaria

Frontend Developer

Kigali City, Nyarugenge | 0789601944 | uwasedjaria41@gmail.com

Profile Summary

I am a passionate Frontend Developer currently learning at Igire Rwanda Code Program. I enjoy building modern, responsive, and user-friendly websites using HTML, Tailwind CSS, and JavaScript. My goal is to combine creativity and logic to design beautiful digital experiences that make an impact.

Skills

- HTML
- Tailwind CSS
- JavaScript
- Construction

Education

Igire Rwanda Code Program – Frontend Development	2025 – Present
IPRC Kigali	2019 – 2022
College Saint Andre (O'Level)	2016 – 2018

Training Projects

- I built a responsive portfolio page using HTML, Tailwind CSS, and JavaScript.
- I created a weather app and a to-do list app to practice frontend development skills.
- I designed interactive layouts following UI/UX principles learned during my training.
