PROFILE SUMMARY

I am a frontend developer and UI/UX designer in training. I enjoy creating simple and user-friendly digital experiences. I have experience with HTML, CSS, Tailwind CSS, JavaScript, React, Next.js, and Figma. I also have some basic knowledge of backend work, like Firebase for authentication and PostgreSQL for storing data.

I am looking for an internship where I can learn more, contribute to projects, and grow my skills.

SKILLS

UI/UX Design

- Figma
- Wireframing & Prototyping
- Visual Design
- Color Theory & Typography

Frontend Development

- HTML
- CSS
- Tailwind CSS
